

Shireland Technology Primary PE and Sport Premium Report 2020-21

Vision for the PE and Sport Premium:

All pupils leaving primary school should be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

Objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sport Premium funding.

The 5 key areas of improvement:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

We have looked at the most effective activities across our region and attempted to collate a best practice overview which has led us to conclude that the most cost effective activities to achieve our goals are:

- *Provide staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively and embed physical activity across your school*
- *Hire qualified sports coaches to work with teachers to enhance or extend current opportunities*
- *Introduce new sports, dance or other activities to encourage more pupils to take up sport and physical activities*
- *Support and involve the least active children by providing targeted activities, and running or extending school sports and holiday clubs*
- *Enter or run more sport competitions*
- *Partner with other schools to run sports activities and clubs*
- *Increase pupils' participation in School Games*
- *Encourage pupils to take on leadership or volunteer roles that support sport and physical activity within the school*

- *Raise attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2*
- *Embed physical activity into the school day through active travel to and from school, active playgrounds and active teaching*

Accountability

Ofsted assesses how primary schools use the primary PE and Sport Premium. They measure its impact on pupil outcomes, and how effectively the Standards and Performance Committee hold school leaders to account for this.

You can find details of what inspectors look for in the 'effectiveness of leadership and management' section of the 'Ofsted schools inspection handbook 2015'.

Review of P.E. and Sport Premium spend 2020-21		
Action	Resources	Impact
Engage with professional Sports Coaches and a Dance teacher to deliver CPD lessons to teachers.	£7,261.56	Staff confidence, knowledge and skills of multi-sports and dance increased (Staff CPD will need to continue to remain a focus). Children's knowledge, skills and confidence in multi-sports, football and dance has improved.
Tracksuits for all year 3 pupils to maximise lesson time. Tracksuits and polo tshirts for staff	£1,496	Lesson duration is maximized and pupils felt more comfortable partaking in the lessons. With the teacher dressed the same it allowed more emphasis/focus on the learning.
Sports equipment for pupils, sport specific to allow children further opportunities	£6,844.96	Equipment to allow specialist coaches to come in and coach specific skills. Tennis and cricket equipment purchased allows for coaches to come in and run specialist sports sessions.
Rewards for competitive sports sessions	£575.00	Children were provided with rewards for partaking in competitive sports.

Key barriers 2020-2021

- Poverty reducing children's participation in extracurricular activities and competitive opportunities exacerbated by Covid.
- Increase physical wellbeing of pupils
- Improving outcomes due to lack of participation outside of school.

Proposed Spend 2021-2022
